

Customers who use credits from DenizBank send flowers to their loved ones...

Once again doing something brand new in the sector, DenizBank gives flowers as a gift from CicekSepeti.com to customers who use consumer credits special to Valentine's Day.

Offering customized, innovative and special solutions with its financial supermarket understanding, DenizBank prepared a campaign special for 14 February, Valentine's Day. With this campaign, DenizBank offers the opportunity to use consumer credit with only TL 114 file handling fee and **1.14%** interest rate. The campaign will be available until February 12th 2010 and DenizBank customers who use the consumer credit within the campaign will be eligible for sending flowers to their loved ones through www.ciceksepeti.com.

DenizBank Executive Vice President in charge of Retail Banking, Gökhan Ertürk commented on the Valentine's Day campaign as follows: "As DenizBank, we differentiate in the sector not only with consumer credit opportunities under favorable conditions but also with the gifts we give. In the campaign we prepared for Valentine's Day, besides attractive interest rates in consumer credits, we make a pleasant surprise to our customers and their loved ones by sending flowers to them.

Application to consumer credit can be made through DenizBank branches or www.denizbank.com web site.
