DENIZBANK TORBALI BRANCH SERVES IN ITS NEW LOCATION

DenizBank Torbali Branch, which is opened on 09.12.2009, started to serve customers in its new location as of 25.05.2009. Managed by Dilek Altinsoy, 15 employees of DenizBank Torbali Branch continue with providing locals with innovative and privileged banking services.

Torbali DenizBank Branch serves in retail, SME and agricultural banking fields. In addition, the renewed branch is equipped with DenizYatirim session room and presents safe-deposit box service.

DenizBank enables financing opportunity for significant projects and investments in various regions thanks to its farmer-oriented Producer Card and agricultural credits. In addition, its craftsmen-oriented cash and non-cash credits prove that it is assertive also in retail banking and SME banking.

For the year 2009, DenizBank targets at increasing its branch number to 450 by opening 50 new branches. DenizBank, which is among the fastest growing institutions in the sector, considers retail banking, SME banking and agricultural banking as strategic sectors.

Further enriching the support it provides to shipping, education, health, tourism, sports, infrastructure and energy sectors; DenizBank finances farmers, merchants and SMEs and thus works with a full financial supermarket approach.
