

**PRESS RELEASE****7 APRIL 2010****Opportunities brought by Agriculture Continue!**

## **You will earn from agriculture with the new fund of DenizBank**

**Giving the opportunity to fund investors to earn from agriculture, DenizBank offers its second agriculture fund in private banking between April 12th and 16th to public. The Type B Private Banking Capital Protected 1 year Agriculture Fund which has a feature to protect the capital at a 90 % rate, takes the risk to lose the 10 % of the capital at the end of the investment period and to benefit from estimated positive return of S&P GSCI Agriculture Index.**

Offering innovative and customized solutions to its customers with its financial supermarket understanding, DenizBank introduces a new agriculture fund to ensure a wider number of people benefits from the returns of the agriculture sector to which it attaches special importance. 90 % Capital Protected type B private banking agricultural products secondary sub fund bound by DenizBank A.Ş. capital protected umbrella fund will be offered to public between the dates April 12th to 16th 2010. DenizBank's agriculture fund with 6 month maturity was offered to public the previous month and TL 30 Million 559 thousand sales were made to 376 investors. 90 % Capital Protected type B private banking capital protected 1 year Agriculture Fund aims at taking the risk to lose the 10 % of the fund investors' capitals at the end of the investment period and to benefit from the estimated positive return of S&P GSCI Agriculture Index with an option agreement to be taken outside the stock exchange. Thus, as the S&P GSCI Agriculture Index increases, fund investors will earn as well.

### **We continue to offer agriculture opportunities to fund investors**

Stating that agriculture investors still have the chance to make use of opportunities in agriculture with the second agriculture fund they will offer in the fund market, Hakan Ateş, the CEO of DenizBank Financial Services Group said that "We continue to bring in new things with agriculture funds we offer in Private Banking. Owners of savings will have the chance to benefit from the opportunities brought by agriculture with our new 1 year maturity agriculture fund. State and private sector funds have begun to direct themselves towards agriculture. The supply-

demand balance supports the agriculture sector. Agriculture sector is less affected by the crisis periods. Banks that are aware of this fact increase their loan support to agriculture. We, as DenizBank already attach particular importance to agriculture. With this new fund we launched, investors in the money market will see how much agriculture has an earning potential”.

**Do not miss the public offering!**

In order to buy the Private Banking Capital Protected 1 year Agriculture Fund, it is required to be a DenizBank Private Banking customer and to attend the public offering to be held between 12th to 16th April. Public offering demands will be taken only through Private Banking centers and there will not be a chance to buy this agriculture fund until the end of the maturity term. Therefore investors should not miss these public offering dates. DenizPortfolio will act as an intermediary for investors who wish to buy this fund. It will be possible to buy from the Private Banking Capital Protected 1 year Agriculture Fund at an amount of multiples of TL 1000 with minimum TL 10.000. The annual management commissions of the fund have been determined as 2.5%. At the end of the maturity term the fund will be automatically sold and transferred to the investors’ accounts.

***About the S&P GSCI Agriculture Index:*** *Contains eight agricultural products. These are coffee, cacao, wheat, Kansas wheat, corn, soybeans, cotton and sugar. In the USA forward transactions agreements based on this index are in transaction.*
