

DENİZBANK TİRE BRANCH IS AT YOUR SERVICE AT ITS NEW ADDRESS

DenizBank's Tire branch that has served since 1 January 2003 moved to its new address as of 15 February 2010. DenizBank's Tire Branch which drew attention with innovative products and services and differentiated itself with retail banking, SME Banking and agricultural banking continues to offer innovative and prioritized banking services to Tire people with Ercan Gürgen as the manager.

Providing important projects and investments in many regions with Üretici Kart (Producer Card) and agriculture loans offered to farmers, DenizBank makes it clear that it is assertive in retail and SME banking with cash and non cash loans for craftsmen.

One of the most rapidly growing institutions of the sector, DenizBank positions retail, SME and agricultural banking as strategic segments. DenizBank is planning to reach 475 branches by opening 25 more branches country wide by the end of 2010.

Increasing its support in maritime, education, health, tourism, infrastructure and energy sectors each day, DenizBank acts with a real financial supermarket by financing farmers, merchants and enterprises.
