

PRESS RELEASE**12 March 2010**

A Gift to Doctors and Dentists for the Medical Holiday from DenizBank...

DenizBank offers special financial solutions package for doctors and dentists for the 14 March Medical Holiday.

Offering innovative and customized solutions to its customers with its financial supermarket understanding, DenizBank launches a special package for doctors and dentists for the 14 March Medical Holiday. Within the scope of the financial package which all doctors and dentists can benefit from during 2010, DenizBank will give "**Professional Responsibility Insurance for Doctors**" for free to all doctors and dentists who use housing or vehicle loans.

Within the framework of the package there are loans for the purchase and development of doctor's office under favorable conditions, the opportunity to supply medical devices with leasing under favorable conditions, POS use with special commission rates, credit solutions for urgent cash needs and automatic payment. Gökhan Ertürk, the Executive Vice President in charge of DenizBank Retail Banking commented on this financial solutions package for doctors and dentists as follows: "We, as DenizBank, are aware of the importance that the medical sector has. Therefore, we offer this package which can be benefited from for the whole year to doctors and dentists who are the most important actors of the medical sector as a gift for the 14 March Medical Holiday. We believe that this financial solutions package which we prepared considering the needs of doctors and dentists will fulfill their needs.

In order to benefit from the Financial Solutions Package, doctors and dentists may apply to any DenizBank branch.

Advantages Brought By the Support Package Special to Doctors and Dentists:

- Loan for doctor's office improvement
