Moreover, this new credit of DenizBank which offers special interest advantages for the members of Bursa Eskişehir Chamber of Commerce has a grace period of 3 months.

“DenizBank will help the Eskişehir enterprises to grow”

During his speech at the collaboration ceremony, Hakan Ateş, the CEO of the DenizBank Financial Services Group said that “Eskişehir is among the leading cities in Turkey with exports of approximately \$ 600 million in the fields of agriculture, industry and mining. Another important feature of Eskişehir is that the exports always exceed imports. Eskişehir Chamber of Commerce has 24.385 members as of April. Most members are small entrepreneurs. Small and medium enterprises still have problems in reaching financial intermediaries and benefiting from them. As DenizBank, we are trying to do what is on our part. With these collaborations realized with Eskişehir Chamber of Commerce in order to fill this important gap, we offer special support loans to Eskişehir Chamber of Commerce member enterprises. With the advantageous brought, DenizBank will help Eskişehir enterprises to grow.

Besides the Eskişehir Chamber of Commerce, we have cooperated with 240 Chambers of Commerce and Craftsmen country wide and we have taken important steps for the enterprises to reach and benefit from financial intermediaries. We aim at reaching more enterprises by signing this cooperation protocol with Eskişehir Chamber of Commerce”. Stating that the number of enterprises benefited from DenizBank SME Banking products and services reached 450 thousand as of today, Hakan Ateş said “Our target is to raise this number to 600 thousand by the end of the year by sharing DenizBank’s difference in the field of SME Banking with more enterprises. We aim at offering credits of approximately TL 40 million to our members at Eskişehir Chamber of Commerce”.
