

“Tourism season is continuing with Deniz in Manavgat”

TOURISM SECTOR WILL BE REJOICED WITH DENİZ IN ALL SEASONS!

Supporting tourism sector with its specific products and services, DenizBank is now offering the opportunity of easy access to all banking product and services within the framework of the “financial supermarket” understanding.

Taking tourism sector as one of its niche sectors since 2003 and continuing its investments in this field, DenizBank introduced its new products and services tailored to tourism sector in a meeting held in Manavgat. After the meetings held in Antalya and Fethiye, Gökhan Ertürk, DenizBank SME and Agricultural Banking Executive Vice President and Mehmet Ali Yetim, DenizBank Commercial Banking Executive Vice President and Saruhan Özel, DenizBank’s Chief Economist got together with the representatives of tourism sector in the meeting held in Manavgat Silence Beach Hotel and evaluated the developments in tourism sector and economy.

Gökhan Ertürk delivered a speech in the meeting and touched upon the situation of tourism sector, he also mentioned DenizBank’s approach and targets in tourism sector. “About 15% of the world’s trade income comes from tourism. It is foreseen that Turkey’s share in world tourism will have been 3.1% by 2007. On the other hand, the target is to reach 22 million tourists and an income over 20 billion dollars in 2008. Tourism, which still has a great potential, is a sector to which we attach a lot of importance and in which we will continue our intensified works.” said Gökhan Ertürk. “We are aiming at providing YTL 1 billion to tourism sector from the side of corporate and commercial banking and YTL 100 million to SMEs from the side of SME baking in 2008. We are also targeting to provide service to the SMEs gaining income through

tourism as well as the main actors in tourism field. Briefly, tourism sector will be backed by DenizBank in 4 seasons.” added Gökhan Ertürk.

Mehmet Ali Yetim, EVP of DenizBank Commercial Banking said that in the last term, DenizBank realized the financing of 55 facilities, which corresponds to about 20.000 beds and he added: “ We are targeting to grant YTL 1 billion credit to tourism sector in 2008. In the next term, we will support tourism sector in fairs organized both within the country and abroad. Besides, we will be following up the tourism activities all around Turkey. Our goal is to support tourism sector whenever there is a need. Above all, through the intermediation of DenizBank, we will make tourism sector reach the new foreign financing opportunities, which, in our opinion, will be appreciated a lot.”

The goal is to serve to all enterprises...

Acting for the mission of serving to tourism sector in 4 seasons, DenizBank will offer advantageous solutions to the need of tourism sector through its specially designed “Tourism Package”, financing support, banking services, ready fleet service and its agreements with local suppliers. While financing the tourism as a sector in 4 seasons, DenizBank offers loans for preparation to season, reparation, investment, supply and yacht maintenance as well as seasonal payment options. Complying with the dynamics in the sector, tourism sector will also benefit from DenizBank’s vehicle leasing service through “Ready Fleet”. Besides, within the framework of financial supermarket understanding, DenizBank will share all its banking services (cheque book, pos services, FX transactions, insurance products, leasing services, Western Union) with tourism sector.
