

## The Orange Team breaks new ground in Turkey with “SMS Credit for Artisans’...

**DenizBank implements “SMS Credit for Artisans” that meets cash needs of artisans without formalities.**

Meeting various financial needs of SMEs while launching innovative products and services, DenizBank SME Banking now offers “SMS Credit for Artisans” exclusively for cash needs of its customers.

Single proprietorships that have been active for more than one year are entitled to benefit from “SMS Credit for Artisans” which is implemented for the first time in Turkey. Moreover, it is very easy to apply for “SMS Credit for Artisans” which provides credit up to YTL 10.000 with maximum maturity of 36 months. Artisans with cash needs can apply for credit by texting “Turuncu”, one space, Turkish identification number in their mobile phones and sending to 3280. Credit reply will be sent by SMS to mobile phones right after the application.

If artisan whose credit has been approved is a DenizBank customer, he can use his credit by applying to his own branch, if not to the closest DenizBank branch by submitting ID certificate, tax certificate, signature form, and Chamber registration certificate.
