PRESS RELEASE

14 April 2010

SAMSUN TSO and DenizBank collaboration presents special advantages for entrepreneurs in Samsun

“Support Credit for your Capital” special to the members of Samsun Chamber of Commerce and Industry with maturity options up to 72 months

DenizBank which has differentiated itself with its innovative products and services, offers “Support Credit for your Capital” to the usage of Samsun Chamber of Commerce and Industry (TSO) member enterprises in accordance with the needs of these enterprises that are significantly important for the growth of economy.

Launching innovative and special solutions that fit customers’ needs in its financial supermarket approach, DenizBank signs under special projects specifically designed for cities across Anatolia to ensure growth in Turkish economy. DenizBank signed under a cooperation protocol with Samsun Chamber of Commerce and Industry which works non-stop to provide its members with attractive financing opportunities. A signing ceremony was held in Samsun Chamber of Commerce and Industry on April 14th, 2010 with the participation of Salih Zeki Murzioğlu, Samsun TSO Chairman of the Board of Directors and Hakan Ateş, CEO of DenizBank Financial Services Group.

Long-Term Maturity option

Within the framework of the protocol signed, enterprises that are members of Samsun TSO will be able to use the “Support Credit for your Capital” with maturities up to 72 months and a credit opportunity with equal-installments up to 36 months with special interest rates. The applicable interest rate for these two advantageous credits will be 1,25%. “Support Credit for your Capital”, the first credit offering long term financing option for enterprises’ capital needs to purchase product and services, provides enterprises with the opportunity of meeting their capital needs with 6-year maturities. On the other hand, this new credit putting forth special interest advantages for the members of Samsun TSO can be utilized with a grace period of 3 months.

Enterprises in Samsun will grow with DenizBank

Giving a speech in the ceremony, Hakan Ateş, CEO of DenizBank Financial Services Group stated "We see that our small and medium scale enterprises cannot access and benefit from financial intermediaries at a satisfactory level. As DenizBank we are trying to do our part. To overcome for this vital deficiency we provide special support credits to enterprises that are members of Samsun TSO under the collaboration we have realized with ATO. Enterprises in Samsun will grow with DenizBank thanks to the advantages we present. By collaborating with 240 Chambers of Commerce and Chambers of Artisans besides Samsun TSO throughout the country, we have made important progress in terms of enabling enterprises to access and benefit from financial intermediaries. We aim to reach more enterprises by the collaboration protocol we have signed with Samsun TSO. As of today, the number of enterprises benefiting from the products and services of DenizBank SME Banking has reached 450 thousand. Our aim is to increase this number to 600 thousand until the end of this year by sharing the DenizBank's difference of in terms of SME Banking with more enterprises. We aim to offer approximately 15 million TL credit to the members of Samsun STO in 2010."
