

DENİZBANK STANDS CLOSER TO PRODUCERS WITH ŞARKÖY BRANCH!

DenizBank, the private bank that makes the largest investment in agriculture, is expanding its branch network. Keeping contributing to the agricultural development and offering innovative products to the sector, DenizBank targets to render innovative and privileged banking services to people of Şarköy by the recently opened Şarköy branch. Rahmi Erdoğan is the manager of DenizBank Şarköy branch that was opened on 15 January 2010.

DenizBank Europe 3 Regional Manager Mr. Burak Koçak, Şarköy Branch Manager Mr. Rahmi Erdoğan and Europe 3 Region Agricultural Banking Regional Officer Mr. Ahmet Yılmaz attended the opening ceremony of the branch.

Mr. Burak Koçak, DenizBank Europe 3 Regional Manager stated: "As DenizBank we attach great importance to agricultural sector. We are very proud being the first private bank being aware of importance of strategic importance of agriculture, having a special focus on and investing in this sector, which was not really a hot item on the agenda of private banks until recent years. As DenizBank, we set off in order to increase efficiency and profitability of our farmers and help them gain identity of a "businessman". We are getting one step closer to our target with our product and service offer. As DenizBank, we are trying to be always close to our customers and add value to their financial and social life."

Expanding customer-oriented approach to all its branches, DenizBank remains ambitious with its "Green Drop" branches designed specifically for needs of agricultural sector.
