

PRESS RELEASE

23 NOVEMBER 2010

DenizBank is in all schools at Teachers' Day!

Offering innovative financial solutions, DenizBank prepared a special package for teachers on occasion of the November 24th, the Teachers' Day. With its "Financial Solution Package for Teachers", DenizBank aims at making life easier for teachers. In addition to the package, DenizBank branch people will visit surrounding schools in the morning on 24th of November and congratulate teachers with flowers and chocolate and be with them on this special day.

Consumer Loan for teachers up to 17 times of their salary, with maturities up to 77 months, and without any fees

DenizBank's special package for teachers includes many advantages including special loan and deposit rates and many gifts such as Medline "Emergency Health Services Package", gaining bonus points on credit card, discounts in insurance products etc.

Providing loans up to 17 times of their salary, Financial Solution Package for Teachers includes maturities up to 77 months, favorable interest rates starting from 0,77% and consumer loan up to TL 36.000 without any fees. Furthermore, thanks to the Rescue Overdraft Account, teachers can always withdraw cash even when they have no money in their account, and meet all kinds of their short term cash needs easily. Giving an automated regular bill payment instruction, they will earn 1 yearly Emergency Health Services Package from Medline while getting their bills paid easily. Offering the opportunity to make shopping with installments and extra bonus points all over Turkey, Deniz Bonus credit card gives bonus points worth TL 25 for teachers as a gift and teachers will not have to pay any card fees for the first year. Another advantage awaiting teachers is 15% discount in car and home insurance ...

We invite teachers wishing to benefit from the advantages to our branches!

Gökhan Ertürk, DenizBank's Executive Vice President in charge of Retail Banking said the following about the special solution package for teachers: "We celebrate the Teachers' Day enthusiastically and with advantages offered specially to teachers. On occasion of this special day and for special and valuable people for us and our country, who are teachers; we offer loans up to 17 times of their salary and many other special services. We invite teachers wishing to benefit from the advantages of or special package to DenizBank branches."
