

Orange Team Support from DenizBank to Gebze Chamber of Commerce Member SMEs...

Differentiating itself with the tailor-made products and services developed in accordance with SMEs' needs, DenizBank SME Banking provides all SMEs that are members of Gebze Chamber of Commerce (GTO) with financial support under favorable conditions.

Departing from the fact that the most important problem of SMEs is not having sufficient access to financial intermediaries, DenizBank continues to conduct activities as well as to develop products and launch services with the aim of meeting this significant need.

In this framework, signing protocols with Chambers of Commerce and Industry along the country, DenizBank also signed a cooperation protocol with Gebze Chamber of Commerce on 26/03/2009.

Signing ceremony of the cooperation protocol was held with the participation of Birsen GÜNDÜZ, DenizBank Gebze Branch Manager, Nail ÇİLER, Chairman of Gebze Chamber of Commerce and Uğur ÖTEKAN, General Secretary.

Within the framework of the protocol signed, GTO member businesses will be able to use "Credit to Support your Capital" with maturities up to 72 months and also "Equal Installment Credit" with maturities up to 36 months from DenizBank under special interest rates.

Being first credit providing long-term financing option for SMEs' capital needs to purchase goods and services, "Credit to Support your Capital" enables businesses to satisfy their cash needs with maturities up to 6 years by collateralizing their real estates. On the other hand, this new credit of DenizBank, offering special interest advantages to GTO member businesses, can be utilized for credit amounts going up to 500.000 TL and with a grace period of 3 months.

Credit models tailor-made for SMEs

Acting with the financial supermarket approach, with this protocol DenizBank not only provides Gebze Chamber of Commerce member businesses with financial support under favorable conditions but also enables them to benefit from all of its products and services. By this way, while DenizBank offers solutions for SMEs' financial needs, it also aims at facilitating the lives of business-owners.

Starting a special credit evaluation model for SME Banking customers, which is an innovative step in Turkey, DenizBank SME Banking answers each type of credit request within 72 hours at the latest. With its "Tourism Package" and "Stationary Package", DenizBank offers SMEs, whose incomes change from season to season, to repay their installments in periods when their cash-flows are better. On the other hand, DenizBank not provides SMEs with the products they are in need of, but also offers them the financial solutions they seek for obtaining these said products: With its "Ready Fleet", DenizBank enables all SMEs to rent vehicles from DenizBank branches.

"SME Card", Breaking a New Ground in the World

Differentiating itself in the sector thanks to its SME Banking products and services especially during the last 4 years, has broken a new ground in the world by the "SME Card" which met customers on April 8th, 2008 and presents many advantages to SMEs.

With this SME Card, designed especially for SMEs only, DenizBank presents 4 different credit options in a single credit card and via many banking channels with a 7/24 non-stop banking service.

"SME Card", which was launched as an effective solution that offers effective cost and time management, presents the opportunity of uniting the Ready Account, Installment Commercial Credit, Sectoral Credits with Seasonal Repayments and Business Card -that are all banking products tailor-made to meet SMEs' needs- in a single card.

With the "SME Card", business owners will be able to withdraw money from their Ready Accounts even when their accounts are not ready for such a transaction, utilize installment credits for their operating capital needs or use their company credit card for company expenses such as purchasing diesel oil, booking hotel rooms or airline tickets...etc. In addition, SME Card infrastructure enables SMEs to determine credit repayment options in accordance with the season when the sector in which they do business generates the highest profit; and they will be able to activate their sectoral credit repayment options via DenizBank branches and ATMs.
