

Financial Solutions Package Special for Certified Public Accountants from DenizBank

Taking customers' expectations in consideration and offering innovative solutions financial needs with its understanding of financial supermarket, **DenizBank** prepared a special financial solutions package for certified public accountants. With the "**Financial Solutions Package Special for Certified Public Accountants**" prepared by targeting all certified public accountants in Turkey, all products from investment and deposits, discount mortgage to vehicle and consumer loans are offered with special opportunities for certified public accountants. In this way, DenizBank gives certified public accountants a privileged position.

With the privileges involved within the scope of the package, certified public accountants can benefit from the "All Inclusive Mortgage Loan" with discount interest rates starting from 0.89% with maturities up to 180 months. In addition, certified public accountants in the scope of this package will benefit from consumer loans with interest rates from 1.12% with maturities up to 60 months and from vehicle loans with interest rates of 0.99% with maturities up to 48 months. With this package offered especially to them, certified public accountants will also benefit from business mortgage with interest rates from 1.09% with maturities up to 120 months. Among the advantages offered by the package are DenizBank POS devices with special commission rates for certified public accountants, additional interest in term deposits and the "Rescue Account" with discount interest rates for the urgent cash needs of certified public accountants.

Medline "Emergency Health Services Package" is given to Certified Public Accountants who use the package!

Gökhan Ertürk, the Executive Vice President of DenizBank in charge of Retail Banking commented on the special solutions package offered to certified public accountants as follows: "We provide special priced products and solutions customized for the needs by differentiating our banking services for certified public accountants. We also offer a gift for certified public

accountants that purchase this package. Certified Public Accountants who purchase this package will benefit from Medline "Emergency Health Services Package" without limits and any fees. As DenizBank, it is our aim to make certified public accountants' lives better with our special solutions propositions for their financial needs and thus be the bank of "Certified Public Accountants". We invite all certified public accountants who wish to benefit from the Financial Solutions Package Special for Certified Public Accountants to DenizBank branches".
