

Support from Denizbank to the “Anatolian Businessmen”-February 2004

The number of the customers benefiting from “Commercial Support Loan” started by Denizbank is increasing rapidly. The companies that are the members of the Chambers of Commerce and Industry of Antakya, Malatya, K. Maraş, Diyarbakır, Batman, Nevşehir, Elazığ and Sivas which signed a protocol with Denizbank benefit from the other products and services of Denizbank besides the cash and non-cash loan support under reasonable conditions.

Providing loan support with special conditions to Anatolian Businessmen through its strategy of supporting both the industry and producers, Denizbank have added a new one to its agreements with the Chambers of Commerce and Industry of several cities.

After Malatya, K.Maraş, Diyarbakır, Batman, Nevşehir, Elazığ and Sivas, finally Denizbank signed a protocol with the Chamber of Commerce and Industry of Antakya on February 12th, 2004. In the scope of this special campaign named as “Commercial Support Loan”, Denizbank will provide loans and other banking services under reasonable conditions to the members of these Chambers. On the following days, Denizbank aims to sign such protocols with the Chambers of Commerce and Industry of other cities.

Under the “cash loan” package, Denizbank provides both short and long-term credit deposit account, small enterprise loan with TL floating or monthly installements, and TL or FX car loan from 12 month up to 36 months. Under the “non-cash loan” package of Denizbank, there is a letter of guarantee covering tender and/or purchase of goods.

Time/demand TL and FC accounts, chequebook, automatic payment orders, credit card, POS, investment fund account, treasury bond / Government note, and internet banking are among the other services of Denizbank provided to Anatolian Businessmen.

In accordance with “Commercial Support Loan” of Denizbank, the limits of the loans provided to the Chambers of Commerce and Industry that signed protocols with Denizbank are as follows:

TL 10 billion for credit deposit account

TL 35 billion for the letter of guarantee

TL 25 billion for cash loan

To benefit from Denizbank’s loans, the companies should apply either to the Chambers they are member of or to the branches of Denizbank.
