

## **Support of Denizbank to the Craftsmen of İzmir- November 4th, 2004**

In accordance with its policy of contributing to the economic development and growth, Denizbank signed a new protocol with the “Association of Craftsmen and Tradesmen Chambers” of İzmir. Through this protocol, Denizbank will provide cash and non-cash loan support under reasonable conditions to the members of 137 chambers connected to the Association. These members will also benefit from the other products and services of Denizbank.

Through his protocol, Denizbank will provide “Cash Loans with Monthly Installments” upto 18 months and “Debtor Current Account Loan” to the subject members. In addition, “Letter of Guarantee Loan” is also provided, covering the contacts, sales, and dealership issues.

To benefit from Denizbank’s above mentioned loans, the companies should apply either to the chambers they are a member of or simply to the branches of Denizbank.

Previously, Denizbank has also provided support to the members of the Chambers of Commerce and Industry of Malatya, Diyarbakır, Batman, Nevşehir, Sivas, Elazığ and Antakya by signing some special protocols with the Chambers. Denizbank will continue negotiations with other related business organisations, in order to reach other companies located in other cities.
