

DenizBank offers a festive loan to Producers with 0.85% interest rate

Having adopted the principle to support the development of the agricultural sector, DenizBank started a new campaign involving new opportunities for cash needs of producers for the approaching Feast of Sacrifice.

Within the scope of the campaign, producers are being offered loans without formalities between September 23 – October 17, with interest rates starting from 0.85%, maturities up to 36 months and favorable repayment options.

Being the leader among private banks in the financing of agriculture, DenizBank continues offering products and services designed especially for the needs of the sector.

Within the framework of the campaign started with the name "Festive Loan for Producers", producers can use credits with interest rates starting from 0.85% and maturities up to 36 months.

Commenting on the topic, DenizBank Executive Vice President in charge of SME and Agricultural Banking Group Gökhan Sun said that the Bank continued its efforts to support and be with producers, to whom it attaches great importance, as they started 10 years ago in Agricultural banking.

Sun said, "Continuing our leading position among private banks in the financing of the agricultural sector makes us proud while it adds responsibility. With our 262 branches, offering agricultural banking services, we carry the difference of our Bank throughout Turkey. With new campaigns to sustain this service, we consider that being close to producers is a requirement of our responsibility. Within this framework, we started a new credit campaign without formalities, with interest rates starting from 0.85% and maturities up to 36 months and favorable repayment options to cover the cash needs of producers before the Feast of Sacrifice. In line with the important mission we assumed for the development of the agricultural sector, we will continue to introduce producers with new products and campaigns suitable for the needs of the sector in terms of financing."

About DenizBank

DenizBank was established in 1938 as a state economic enterprise aimed at funding of the developing Turkish maritime sector. In the early 1997, DenizBank was acquired by the Zorlu Holding in the form of banking license from the Privatization Administration and in October 2006, a leading European financial group, Dexia incorporated it to its structure.
