

PRESS RELEASE**6 APRIL 2011**

Citizens in Gelibolu will pay their municipality debt with DenizBank advantages

DenizBank and Gelibolu Municipality have signed a protocol on payment of water bills and real estate, advertisements, environmental hygiene tax and all tax/fee payments through Denizbank from automatic tellers or via the Internet. Citizens of Gelibolu will be able to pay their municipality debt with the advantages provided by DenizBank.

Providing innovative solutions for the needs of its customers with its financial portal approach, **DenizBank** continues to simplify lives of citizens with collaborations made with public bodies. DenizBank and **Gelibolu Municipality** signed a protocol on April 5, 2011 on payment of water bills and real estate, advertisements, environmental hygiene tax and all tax/fee payments through Denizbank from automatic tellers or via the Internet. DenizBank Marmara Regional Manager **Burak Bozkaya** also participated in the protocol ceremony of both institutions.

Advantages

With the protocol signed between DenizBank and Gelibolu Municipality, citizens of Gelibolu will be able to pay their municipality debts such as accrual or fees through DenizBank. Thus water bills and tax debts to Gelibolu Municipality can be paid by automatic payment orders from teller or via Internet. In the statement he made at the protocol ceremony, DenizBank Marmara Regional Manager **Burak Bozkaya** said that the simplicity brought to the lives of citizens has made him very happy and added "As DenizBank, we continue to find new solutions to simplify lives of our citizens and public bodies. We will continue to do so regarding debts to public bodies with our innovative approach."
