

## **DENİZBANK ÇİVRİL BRANCH HAS MOVED TO ITS NEW ADDRESS!**

Denizbank Çivril Branch which has served for two years has now moved to its new address. At the branch where Hayrettin KABAKLI functions as Branch Manager, innovative and prioritized banking services are provided for customers in retail, SME and agricultural banking with 8 employees.

Branch Manager Hayrettin KABAKLI said "We will have new services at our new address. We will provide cash safes for our customers at our new branch". KABAKLI said that as Denizbank Çivril Branch they aim to extend their ATM network to serve customers at more sales points and become closer to the customers themselves.

One of the fastest growing institutions of the sector, Denizbank places retail, SME and agricultural banking lines as its strategic segments. Increasing her support towards maritime, education, health, tourism, infrastructure and energy sectors day by day, Denizbank works with a full financial supermarket understanding by financing farmers, tradesmen and companies.
