DenizBank and brand face Beyazıt Öztürk meet real estate agencies of Izmir

DenizBank swept everyone away in Izmir on January 17, Monday. In the night where brand face of the bank Beyazıt Öztürk, DenizBank and İZEKO participated, real estate agency owners had an unforgettable evening.

Offering innovative and customized solutions to its customers with its financial supermarket understanding, **DenizBank** embarked on Izmir to inform real estate agency owners and real estate consultants on its special solutions. DenizBank authorities who gathered with real estate agency owners in Izmir informed them on the mortgage activities of the Bank. Beyazıt Öztürk participated in the night on January 17 2011, Monday with DenizBank and İZEKO (Izmir Union of Real Estate Brokerage) and performed an unforgettable show for real estate agency owners. DenizBank CEO Mr. Hakan Ateş also participated in the night held in Swiss Hotel.

Advantages for Real Estate Agencies

There are various solutions which DenizBank brings to the real estate sector with great advantages provided to the market. With the Special Real Estate Package, consumer and mortgage loans with discounted interest rates are provided. "Rescue Account" is another solution providing advantages and solving urgent cash needs with special interest rates. Also real estate offices, real estate consultants and their families feel privileged as they are among the Affluent Banking customers of DenizBank.

Affluent Banking customers are given customized retail consultancy services, priorities in transactions at branches, privileged prices in credit, deposit and insurance products, long term credit opportunities up to 25 years for mortgage credits, special interest rates for investment products and other services such as free of charge or discounted banking transactions.
