DenizBank & Türk Konut Kütahya Regional Union Collaboration Protocol

DenizBank has signed a collaboration protocol with Türk Konut Kütahya Regional Union SS. Yeni Zafer Tepe Building Society on January 24, 2011. With the protocol, DenizBank mortgage loans will be used in financing the houses of SS. Yeni Zafer Tepe Building Society.

Providing innovative and special solutions for the need of customers with its financial supermarket understanding, **DenizBank** has signed an important collaboration with Türk Konut Kütahya Regional Union SS. Yeni Zafer Tepe Building Society. DenizBank Marmara Regional Office Regional Sales Manager **Ms. Semiha Kablay Yılmaz**, Kütahya Branch Manager **Ms. Şule İri** and Chairman of Türk Konut Kütahya Regional Union **Mr. Cemalettin Çelik** participated in the signing protocol held in Kütahya on January 24, 2011. With the protocol, DenizBank mortgage loans will be used in financing the houses of SS. Yeni Zafer Tepe Building Society. Bringing a new trend to the sector with the innovative products it provides regarding financing of housing needs that occur due to the development of the real estate sector, **DenizBank** has added another one to its projects with this agreement it has realized in the Marmara Region.

Services regarding the real estate sector will continue

Speaking at the collaboration ceremony, DenizBank Marmara Regional Office Sales Manager Semiha Kablay Yılmaz stated their happiness for the collaboration. Yılmaz said, "Türk Konut Kütahya Regional Union SS. Yeni Zafer Tepe Building Society is an institution that organizes initiatives to produce real estates throughout the country and targets to ensure all its members have modern homes that are affordable and durable which are designed in high quality with concept of comfort and offer special conditions for its members. With such an institution, we are delighted to be able to support people to own houses with more advantages. DenizBank's service packages regarding the real estate sector will continue and develop".
