

Press Release**26 April 2011**

DENİZBANK AYDIN BULVAR BRANCH HAS BEEN OPENED!

Aydın Bulvar Branch of Denizbank that undersigns many innovative products and services and differentiates itself in retail, SME and agricultural banking has started to operate on March 7, 2011. Denizbank Aydın Bulvar Branch provides prioritized banking services to the society of Aydın under the leadership of İsmail AKBAĞ.

Providing important projects and investments in many regions with Producer Card and agri-loans lent to farmers, DenizBank shows that it is also ambitious in cash and non-cash loans in retail and SME Banking provided to artisans.

One of the fastest growing institutions of the sector, Denizbank places retail, SME and agricultural banking as strategic segments. Denizbank aims to reach 580 branches until the end of 2011 by opening 80 new branches domestically.

Increasing its support towards maritime, education, health, tourism, infrastructure and energy sectors, DenizBank works with a full financial portal approach by financing farmers, tradesmen and companies.
