

DenizBank offers Gold Account on the internet!

DenizBank added a new one to its creative services on Gold Banking. DenizBank customers can open Demand Deposit Gold Account and Time Deposit Gold Account on the internet.

Offering innovative and customized solutions for its customers' needs with its financial portal approach, DenizBank continues to offer innovations on Gold Banking. DenizBank customers, with the brand new service of the bank, have the chance to open a demand or time deposit gold account through AçıkDeniz Internet Banking.

It can be opened without visiting a branch

With the new service of DenizBank, customers can open a Demand Deposit Gold Account or a Time Deposit Gold Account 24/7 through internet without any charge and without visiting a branch. DenizBank customers therefore can invest in gold without the risk of theft, losing, fraud and can trade gold and transfer gold between gold accounts. Innovations of DenizBank on Gold Banking will continue.
