

EUR 100 million support from DenizLeasing for solar energy

DenizLeasing signed a strategic cooperation agreement with CSUN Solar Energy, one of the prominent corporates in China in the field of solar energy. According to the agreement, DenizLeasing will provide a project finance facility with a total amount of EUR 100 million for investments in solar energy realized with CSUN solar panels in Turkey.

DenizLeasing continues to finance investments aiming at developing energy sector. In this framework, a strategic cooperation agreement was signed between **DenizLeasing** and **CSUN Solar Energy**, one of the biggest manufacturers of solar energy panels in the world and a part of CEEG Holding, which had some USD 1.8 billion turnover in 2013. With the agreement, DenizLeasing will provide a project finance facility with a total amount of EUR 100 million for investments in solar energy realized with CSUN solar panels in Turkey.

Before the signing ceremony, DenizLeasing General Manager Kahraman Günaydın, Consul General of Turkey to Shanghai Özcan Şahin, Commercial Attaché Aykut Aymelek, CSUN officer Tingxiu Lu, CSUN Turkey Board Member Çağrı Seymen, Mars Energy CEO Yalçın Kiroğlu and Turkish-Chinese Industrialists and Businessmen Association Co-Chairman Levent Oğuz visited the premises of CSUN Solar Energy factory, where the agreement was signed.

Our target is to generate sizeable volume of business in energy

Speaking about the cooperation right after the signing ceremony, DenizLeasing General Manager Kahraman Günaydın said DenizLeasing was glad to cooperate with CSUN Solar Energy. Günaydın continued: "DenizLeasing focused on financing solar energy projects in 2014 and became the most important player of the sector in this field. Thanks to this agreement, and with the support of CSUN, one of the important names of the sector in the world, we aim at generating sizeable volume of business in energy and growing market share of DenizLeasing. While putting our signature on this strategic cooperation agreement, we are proud of contributing to economic relations between Turkey and China. I hope this cooperation will bring best of luck for all the parties and our country".
