

With DenizAltın (DenizGold), you can deposit and withdraw gold in grams!

Thanks to the new practice of DenizBank, it is possible to deposit and withdraw gold in grams physically in DenizAltın Central branches at any time. DenizBank customers can deposit and withdraw dematerialized or physical gold from 1 gram to 100 grams in their accounts.

DenizBank continues to increase its support to gold sector, which it considers as one of its niche sectors. With the advantageous practice offered by DenizBank, it is possible to deposit and withdraw gold in grams physically in DenizAltın Central branches at any time. Through this new service provided by DenizBank, people who are not DenizBank customers can also buy and sell gold in grams. Aiming for injection of gold kept at house into the economy, DenizBank realizes the said gold transactions in its authorized branches called DenizAltın Centers.

“We invite everybody to benefit from this new service”

Making a statement on the issue, **Hikmet Güncan**, DenizBank’s SVP in charge of Gold Banking underlined that DenizBank Gold Banking Department supports injection of gold kept at house into the economy and growth of gold deposits through DenizAltın (DenizBank Gram Gold). Güncan continued: “Thanks to our joint project with İstanbul Gold Refinery, our Bank added a new gold product in its current range and started delivery of physical gold in DenizAltın Central branches. Upon implementation of this product, customers can deposit their physical or dematerialized gold and withdraw gold from their account in the form of gram gold denominated in 1, 2,5, 5, 10, 20, 50, 100 grams. They can therefore get the gold they would give as gift to people on special days like weddings, birthdays etc. from their gold account. Moreover, people who are not customers of our Bank can buy and sell gold in grams via DenizAltın Central branches. We invite everybody to benefit from this new service of ours”.

About DenizBank

DenizBank was established in 1938 as a state economic enterprise aimed at funding of the developing Turkish maritime sector. In the early 1997, DenizBank was acquired by the Zorlu Holding in the form of banking license from the Privatization Administration and in October 2006, a leading European financial group, Dexia incorporated it to its structure. For 6 years, DenizBank operated in Dexia's main shareholding and since 28 September 2012, continues providing services under the umbrella of Russia's largest and well-rooted bank, Sberbank. DenizBank has become one of the remarkable banks of Turkey in a short period of time. DenizBank Financial Services Group was established in 2003 in order to create a "financial supermarket" accumulating various financial services under one roof. There are totally 725 branches within DenizBank Financial Services Group operating in 81 provinces of Turkey and abroad employing nearly 15 thousand people. DenizBank Financial Services Group consists of DenizBank, six domestic, four domestic non-financial subsidiaries, three international financial subsidiaries and a branch in Bahrain.
