**Making a difference in senior banking with its innovative practices and high quality service, DenizBank got together with pensioners in the fast breaking dinner it organized in Bursa. In the organization held on 28<sup>th</sup> of June Tuesday, the works carried out by DenizBank in senior banking were shared with the participants.**

Standing out with its innovative products and services, DenizBank continues to provide opportunities to pensioners and organize activities for them under Senior Banking. The bank organized a dinner for pensioners in Bursa on 28<sup>th</sup> of June 2016, Tuesday. DenizBank staff and pensioners attended this dinner and the support given by DenizBank to pensioners was addressed in detail.

### **“We closely follow up the needs of the pensioners”**

DenizBank Marmara Regional Manager Burak Bozkaya emphasized that they stood out among private banks by their intensive activities they carried out to add value to the lives of their pensioner customers and by the innovative products they offered. Burak Bozkaya continued by saying that “DenizBank attaches great importance to senior banking in line with the mission to provide benefit to the community. Showing care and respect to the pensioner is our top priority. We closely follow their needs. They can get priority service from our 692 branches in Turkey and withdraw and view their account balances from more than 4.000 thousand DenizBank and PTT ATMs without any fee. While they can realize their transactions rapidly without waiting in the line in our branches, they do not pay any fee when they wish to withdraw their salaries from a branch different than the branch to which their salaries are deposited. They can benefit from discounted interest rates in GPL, Vehicle and Mortgage Loans, special installment and maturity advantages in their credit debts in other banks, accumulate on their savings by the special deposit interest rates. They can also benefit from many discount campaigns by our cooperation with brands. We offer many privileges to pensioners by the first credit card designed especially for pensioners “Pensioner Bonus”. We will continue to closely follow up their needs and provide them service beyond their expectations”.

### **Advantages of “Pensioner Bonus”**

Many privileges are offered to pensioners by the first credit card designed for pensioners “Pensioner Bonus”. They can make purchases in installments, earn bonus in their purchases, make purchases by their accumulated bonuses in program partners. They can make discounted purchases in member merchants and gain discounts in periodical campaigns released for electricity, water, natural gas and phone invoices. They can also gain discounts in their purchases in pharmacies, supermarkets and benefit from many advantages in installations, repairs, locksmiths, window breakage.
