

DenizBank now offers 25% discount in Dry Center to the SMEs

Standing out with the services it provides and cooperation it makes in line with the needs of the SMEs, DenizBank continues to satisfy its customers. The SMEs which are customers of DenizBank can now enjoy 25% discount in 58 Dry Center points in 23 provinces.

Giving all kinds of support to the SMEs, which are the dynamo of Turkish economy, through its innovative services and considering this support among its priorities, DenizBank continues to provide important advantages to its SME customers by the agreements it makes.

Within the scope of the agreement between DenizBank and Dry Center, SMEs which are customers of DenizBank can benefit from 25% discount in all 58 Dry Center points in 23 provinces. Those who wish to participate in the campaign should type "DRY" and send it to 3280 as SMS and give the password received to Dry Center.

"We stand by our our SMEs to cover all their needs"

DenizBank SME Banking Group EVP Murat Kulaksız stated that "We, as DenizBank, attach importance to supporting the SMEs and artisans in Turkey not only by financial solutions but also at any point that will allow them to develop and grow. By the cooperation with the leading companies, we intend to provide services that will facilitate the daily lives of our customers and decrease the costs incurred as per their commercial activities. We now offer the SMEs which are customers of DenizBank 25% discount in all Dry Center points. Our cooperation with Ticket Restaurant for the lunch of our customers, MNG Cargo for mails, Zorlu Elektrik for electricity, Pronet for security needs, Eleman.net for HR needs, Protranslate.net for translation services continues. We will continue to make agreements to decrease other costs of the enterprises and provide advantages to the SMEs".
