

DenizBank now offers Ticket advantage to the SMEs

Standing out with the services it provides and cooperation it makes in line with the needs of the SMEs, DenizBank continues to work for satisfying its customers. By the cooperation made with Ticket Restaurant, Ticket Restaurant coupon with a value of 250 TL is gifted to SMEs which are customers of DenizBank and which order lunch card/coupon at a minimum amount of 1.000 TL for its employees.

Giving all kinds of support to the SMEs, which are the dynamo of Turkish economy, through its innovative services and considering this support among its priorities, DenizBank continues to provide important advantages to its SME customers by the agreements it makes.

Within the scope of the agreement between DenizBank and Ticket Restaurant, Ticket Restaurant lunch coupon at an amount of 250 TL is gifted to the SMEs which are customers of DenizBank and which order lunch card/coupon at a minimum amount of 1.000 TL for its employees. Those who wish to participate in the campaign should type "TICKET" and send it to 3280 as SMS and call Ticket Restaurant at 0216 655 78 11 to communicate the password during customer registration.

"We stand by the SMEs to cover all their needs"

DenizBank SME Banking Group EVP Murat Kulaksız stated that "We, as DenizBank, attach importance to supporting the SMEs and artisans in Turkey not only by financial solutions but also at any point that will allow them to develop and grow. By the cooperation with the leading companies, we intend to provide services that will facilitate the daily lives of our customers and decrease the costs incurred as per their commercial activities. Now lunch card/coupon at an amount of 250 TL is gifted to the SMEs which are customers of DenizBank and which order lunch card/coupon for its employees at a minimum amount of 1.000 TL. Our cooperation with Dry Center for dry cleaning needs of the customers, MNG Cargo for mails, Zorlu Elektrik for electricity, Pronet for security needs, Eleman.net for HR needs, Protranslate.net for translation services continues. We will continue to make agreements to decrease other costs of the enterprises and provide advantages to the SMEs"
