

DenizBank offers Dowry Account with State Contribution

Making a difference with the advantageous services and products it develops, DenizBank continues to work for satisfying its customers. The Bank offers its customers who make savings for at least 3 years in their Dowry Accounts the opportunity of state contribution up to 20% in addition to their savings amount.

Making a difference in the sector by its innovative services, DenizBank continues to expand its deposit product scale in line with the needs and expectations of the customers. With DenizBank Dowry Account provided as of April, 18, those who wish to make savings for their marriage or the marriage of their children are now offered state contribution up to 20% in addition to the savings amount.

Thus DenizBank customers who make regular savings in their Dowry Accounts for at least 3 years and fulfill dowry account conditions will benefit from state contributions up to 20% in addition to their savings amount on their date of marriage.

“We will continue to offer innovative services to our customers”

DenizBank Retail Banking Group Executive Vice President Oğuzhan Özark stated that; “As DenizBank, we continue to closely follow up the needs of our customers and provide service beyond their expectations. We provide our customers who open Dowry Account for themselves or for their children in DenizBank the opportunity to make regular savings for their future and marriage and benefit from an interest rate of 12.50% in their savings by the monthly or quarterly regular payment order they will give through their DenizBank credit cards or demand deposit accounts. As always, we make our customers feel special in Denizbank and provide them service with advantages. We will continue to offer innovative solutions to our customers in the upcoming period.”

About DenizBank

DenizBank was established in 1938 as a state economic enterprise aimed at funding of the developing Turkish maritime sector. In the early 1997, DenizBank was acquired by the Zorlu Holding in the form of banking license from the Privatization Administration and in October 2006, a leading European financial group, Dexia incorporated it to its structure. For 6 years, DenizBank operated in Dexia's main shareholding and since 28 September 2012, continues providing services under the umbrella of Russia's largest and well-rooted bank, Sberbank. DenizBank has become one of the remarkable banks of Turkey in a short period of time.
