**Working for the financing of agriculture and the continuity of farmers' production, DenizBank celebrates 14 May World Farmers' Day with campaigns that make farmers' lives easier such as cash advance when shopping with Producer Card and maturity up to six months in total.**

With its innovative product developed for financing agriculture, DenizBank offers 25,000 TL cash advance interest free for 1 month via MobilDeniz as well as up to 5-month maturity valid until the end of May for purchases made at contracted merchants. Furthermore, farmers can apply for a tractor loan of up to 4 million TL directly via dealerships, via MobilDeniz application, without visiting bank branches.

**"Farmers are the future of our country"**

**DenizBank SME Banking, Agricultural Banking and Public Finance Group EVP Engin Eskiduman** said, "As DenizBank, we are aware of the value of farmers for our country and our future and we consider it our main duty to support their production power. On this special occasion, we are meeting them at all of our branches, holding events with chambers of agriculture and celebrating the World Farmers' Day with great joy. We are in the field with our team of 1500 staff members, mostly agricultural engineers and children of farmer families, at our 300 agricultural branches, and we are very proud to be beside our producers for everything they need. In the days to come, we will continue to work with determination to provide the necessary financial support to ensure the continuity across our country, particularly rural areas. We wish a very happy 14 May World Farmers' Day to all our farmers who keep agriculture standing with their efforts and thank them for their hard work."
